Hello All You Confused with the Weather Gardeners,

Wow we rock! We are getting rave reviews about our hosting of the District 17 annual meeting. All our volunteers worked so very, very hard to make a success of the day, and it was. The room was so beautiful and the planters out front were fun and whimsical. Everyone, give yourselves a big pat on the back. Of course Muriel Tassie won lots of stuff as usual, how does she get to be so lucky?

Now back to the weather. The earth is turning into cement already, and I have patches where the grass is crunchy. All my tulips and daffodils are out so good luck for me at the May show. This afternoon I had black flies going under my glasses. What is going on here?

Back to business: Saturday May 22nd is our first plant sale so please pot your stuff up early, and drop it off at the Parkette before 8.30 am, and if you can't do that, give one of us a call.

Some of the people who were at the Annual Meeting said I could make a living as a stand-up comic, now that was nice of them but I would rather they said that I could make a living as a movie goddess. Oh well!

See you at the meeting,

Pam Kuiper
