A special "Thank You" to all those who donate door prizes.

Pam introduced our guest speaker Sean James whose topic was The Art of Nightlighting

Merry Christmas everyone,
This year has gone so fast it makes me feel old, wait a minute I am old.
Fall was wonderful, and I did get everything done this year and I am saying that for the very first time.
This was a good year for our Society and we have wonderful new members which always is exciting. New speakers and topics and lots of yummy food.
As usual we have the greatest group of people in Durham to work with, and we are all looking forward to a fantastic 2012 in the garden.
Now Rick no more playing Santa and falling off the roof, we love to have our past fearless leader in one piece. Many of us have interesting gardening tools that we can try out on your back so just give us a call.
Congrats to the many people who showed all their beautiful plants , flowers and produce this year you really do brighten up our lives.
Well this is it for 2011 have a healthy happy winter.

Pam
