Dear Fellow Gardeners,

Well last month I thought that the weather was bad; little did I know that this month is bad bad bad. Everything is very green and the weeds are huge. The black flies and other blood-sucking bugs are having a real celebration.

I am really looking forward to this month's speaker. Marjorie Mason is always good and maybe she will tell us several ways to use all the dandelions in our gardens.

The plant sale was a great success, so lets start thinking about what we can pot for the big August sale.

Next month Carson Arthur is speaking on how green is your garden. I'll tell him right now my garden is damn green.

For a change they are calling for rain this weekend and my advice to you is put on a good movie and be thankful that we are safe here, no tornados or floods. Life is good.

Next month I will be putting a quote in the newsletter that one of our sweet members gave me, if you have a gardening quote that you like please pass it on and I will put it in the newsletter.

See you at the meeting.

Thank You for Your Zehr's Uxbridge Tapes

In 2010 we received \$214.81 through the collection of the Zehr's tapes. This is a great way to raise funds. So please remember to bring them to the meetings.

Quote of the Month

from Pam

"I think that no matter how old or infirm I may become, I will always plant a large garden in the spring. Who can resist the feelings of hope and joy that one gets from participating in nature's rebirth?"
